What was your greatest professional accomplishment in 2010?

My "greatest professional accomplishment in 2010" was being inducted into the Hall of Fame of women selected by Long Island Business News as one of the Top 50 Women for the third time. As this recognition is based upon professional achievement, mentoring and community involvement, it was an honor knowing that I was not only recognized for my work as a real estate attorney, a field once dominated by men, but also recognized for the work I have done as a volunteer for many local charities and as mentor, not only to other attorneys, but also to several elementary school children through the Long Island Mentoring Partnership.
